2018 Fan Fair Information:

The Fan Fair program is an opportunity to secure premiere Grandstand concert tickets at the 2018 Iowa State Fair while supporting the Blue Ribbon Foundation's effort to renovate the Fairgrounds.

For each \$150 contribution you make to the Blue Ribbon Foundation's Fan Fair program, you become eligible to purchase two Grandstand concert tickets prior to the general public.

Again this year, there will be individual on sale dates. Fan Fair members will be able to order tickets before the general public with special presales for each concert. The process will be similar to last year, but with a new Grandstand seating chart. You can also purchase gate admission tickets in addition to concert tickets. There will be no paper order forms.

Those contributing \$150 or more will receive ticket ordering information and instructions. Only donations made specifically to the Fan Fair program qualify for these tickets. Contributions are tax-deductible to the full extent of the law.

Please mail completed forms to the Blue Ribbon Foundation. Fan Fair donations can also be made online at www.BlueRibbonFoundation.org/FanFair

Frequently Asked Questions:

When are the Fan Fair concert presales?

A Fan Fair presale will always start the Monday before the general public's Friday on sale date. Emails and website updates will keep Fan Fair members informed.

Can I submit a paper ticket order form?

No. All tickets must be ordered online.

Will my passcode work for multiple concerts?

Your issued passcode will allow you to order the allotted number of concert tickets based on your donation amount. The passcode remains valid throughout all of the presales. (Example: If you have access to purchase 6 concert tickets, you could order 2 tickets to 3 different concerts.)

Is there a deadline to donate to Fan Fair?

Fan Fair donations will be accepted until all of the Grandstand Concerts have gone on sale. Once a presale is complete, tickets will be available to the general public.
