

Peter Cownie
Executive Director

Better EVERY YEAR.

The Iowa State Fair is a special part of our state’s culture. I believe the best part of the Iowa State Fair is that it brings together Iowans for 11 days every August, literally and figuratively. Each day of the Fair, we celebrate our great state as summer ends and the school year begins. At this annual gathering, we celebrate our agricultural heritage, our varied industries, our youth’s accomplishments, and of course the finest food in Iowa. The Fair brings together rural and urban, allowing each their own showcase. It brings us great joy to see all walks of life come together and enjoy what makes Iowa special.

The conversations with Fairgoers are always a highlight for me. People want to know, what is new? What’s the best new food? Who is on the Grandstand tonight? What is the best-selling concert? What is next in terms of capital improvements? It is always great fun to be able to work all year and then reveal the results to our friends and donors during the Fair. I personally feel the Iowa State Fair gets better every year, and the 2024 Iowa State Fair promises to be our best yet!

Iowans make the Fair what it is today and what it will be in the future. Your generosity toward the Iowa State Fair Blue Ribbon Foundation has made us the envy of the nation. We hope you are as proud of this grand Iowa institution as we are. The 2024 Iowa State Fair will be here before we know it. We look forward to seeing you in August as we once again put on a great show for you and your family and celebrate all that is good about the State of Iowa.

“ I PERSONALLY FEEL THE IOWA STATE FAIR GETS BETTER EVERY YEAR, AND THE 2024 IOWA STATE FAIR PROMISES TO BE OUR BEST YET! ”

BACK THE BARN'S
Update

Our construction crews are grateful for the milder winter weather we've had (until January!) as work on phase two of the Sheep Barn's renovation is in full swing. The east side of the building is busy with activity from workers removing the terra cotta for restoration, repairing the masonry, laying blocks in the new restrooms, remodeling the office, repainting the overhangs, and resurfacing the lower roof levels.

While work on the Sheep Barn is slated to be completed by the 2024 Iowa State Fair, the \$25+ million barn restoration project will continue over the next several years with work done in the Cattle, Swine and Horse Barns. You can help support this immense project with a gift to the “Back the Barns” campaign.

Members of the Blue Ribbon Foundation’s “Back the Barns” campaign are those generous donors who have pledged \$1,000 (or more) per year for 3 years in support of the Iowa State Fair’s historic barn restoration project. As a thank you, you’ll receive a special belt buckle to celebrate your investment in our Fairgrounds. It’s a mutual support program – we’ll help hold up your pants; you help hold up our roof.

Your membership can be paid in many ways

- One-time \$3,000 gift
- Annual gift of \$1,000 for a 3 year term
- Quarterly gifts of \$250 for a 3 year term

In addition to your one-of-a-kind belt buckle, your name will be listed on a kiosk recognizing donors when the project is complete. Your support of the barn restoration project will guarantee the tradition of showing livestock at the Iowa State Fair continues to expand and grow year after year.

Yes! I want to join the “Back the Barns” Campaign!

T.A.G.
Team

The Blue Ribbon Foundation is once again looking for 100 donors to make an immediate, positive and direct impact on our historic Fairgrounds by tackling a smaller renovation project. Donors might just fall in love with the 2024 project — an update to the official Iowa State Fair “Tunnel of Love,” Ye Old Mill.

Ye Old Mill has been a beloved attraction since 1921. Situated next to the Midway on Grand Avenue, riders climb aboard a boat and disappear into a 1,500-foot tunnel. Except for an occasional collage of historical photos, most of the 3-minute float trip is in pitch-black darkness — allowing bold riders to steal a kiss or two.

While it’s considered the Fair’s oldest permanent amusement ride, the structure that stands today isn’t the original. It was rebuilt in 1996 as an exact duplicate of the original, which had dry rot and termite damage, and was eventually blown over in a strong windstorm. The bright

red paddle wheel remains the only artifact from the original structure.

The current round of improvements includes new sheathing, fascia and architectural shingles on the roof of the main building. The tunnel is next, receiving new sheathing, fascia and a new membrane roof. The side walls of the tunnel will be stripped and repaired where necessary, and new lap siding is planned for both sides. Once the weather warms, the whole structure will be repainted and the “inner” portion of the tunnel that is visible only from the Sky Glider will get a new rock landscape.

For a \$250 donation your name will be listed as a key player in the renovation project and you will receive a commemorative pin to denote your membership in the 2024 T.A.G. Team.

We welcome your participation in our T.A.G. Team so Together we can Accomplish our Goals.

To join T.A.G. Team, visit www.BlueRibbonFoundation.org and click “Donate Now” in the upper right hand corner. Put T.A.G. Team in the Memo field.

renovate & preserve
the Iowa State Fairgrounds

PRESERVING THE PAST TO MAKE MEMORIES FOR THE FUTURE

Since 1854, the Iowa State Fair has been a critical piece of our rich history – a true reflection of the state’s culture, industries, and quality of life. The Fair is committed to both maintaining the traditions Fairgoers love and generating improvements that make it the place to be in August for both first-time and hundredth-time Fairgoers alike. When the Fair thrives, our state thrives.

As a Corndog Checkoff Tax Program donor, you make this collective success possible through your commitment to the Blue Ribbon Foundation’s mission of renovating

and preserving the historic Iowa State Fairgrounds. We invite you to continue to support our mission.

The Corndog Checkoff provides an easy way to contribute to ongoing renovation efforts through a tax-deductible donation on your Iowa return. Please consider donating when completing your 2023 taxes. Look for “State Fair” on Line 21 on Iowa Form 1040. Every dollar donated is directed to preserving the historic Iowa State Fairgrounds.

For more information visit www.BlueRibbonFoundation.org/CorndogCheckoff.

Champion's CIRCLE

our gift can last forever. An endowment gift to the Blue Ribbon Foundation today provides a brighter picture for the future of the Iowa State Fairgrounds. When you make a donation to our endowment or include the Blue Ribbon Foundation in your estate plans, you give a gift that creates a lasting legacy which will forever support the Fairgrounds.

Thank you to the current members of our Champion's Circle. These donors are helping create a solid financial foundation for the future, providing a reliable source of income to fulfill the Blue Ribbon Foundation's mission.

For more information about becoming a Champion's Circle donor, contact Meg Courter at 515-262-3111 Ext. 370 or Meg@BlueRibbonFoundation.org. For more information about the endowment fund, please visit www.BlueRibbonFoundation.PlanMyGift.org.

THANK YOU!

The Blue Ribbon Foundation believes in and strives to support Iowa's great celebration. The Iowa State Fair is a salute to the state's best in agriculture, industry, entertainment and achievement. As one of the oldest and largest agricultural and industrial expositions in the country, the Iowa State Fairgrounds creates an educational learning experience for all Iowans.

You preserve the vibrancy of the Fairgrounds as a Blue Ribbon Foundation supporter. By maintaining the historic facilities, you help promote our rich heritage and provide agriculture education for the next generation.

When you collaborate with the Blue Ribbon Foundation – either through a monetary donation, volunteering, or attending a fundraising event – you are contributing to the Foundation's mission while also ensuring that the Iowa State Fair Fairgrounds continues to thrive and remain a treasure to the state of Iowa.

Because of space restrictions within this newsletter, we are honoring our supporters who have given a collective amount of \$1,000 and greater since 1993. Please know that all gifts of

any size are important to us. Each dollar donated to the Blue Ribbon Foundation has factored into our accomplishments over time. This list includes donations made to our general renovation fund as well as contributions to Our Fair's Future endowment and Endow Iowa.

The Blue Ribbon Foundation extends appreciation to all Iowans who contribute to the Corndog Checkoff on Iowa tax forms. Checkoff contributions are anonymous; therefore, the Foundation is unable to personally recognize those individuals. On average, the Foundation receives approximately \$60,000 annually through the Corndog Checkoff. Although the donations are nameless, they are extremely significant and greatly appreciated.

The Foundation staff has made every effort to ensure accuracy in our roll of donors report. In compiling a list of this magnitude, however, mistakes are possible. We apologize for any misspellings or omissions, and ask that you bring any discrepancies and needed corrections to our attention at 515-262-3111 Ext. 371 or Info@BlueRibbonFoundation.org.

"My family has been attending and showing livestock at the Iowa State Fair for generations. My dad and his siblings gifted my grandparents an engraved brick in front of the Swine Barn in 1996. Now, their brick is the first thing we visit when coming to the Fair every year. My grandma has since passed, but come hell or high water, my grandpa finds his way to the Iowa State Fair.

I couldn't be more excited to gift my parents their own engraved brick at the Swine Barn. Thank you to the Blue Ribbon Foundation for keeping this tradition alive for future generations."

Courtney Beach-Pattison

SIOUX FALLS, SD

"So glad the Blue Ribbon Foundation had a successful year. Already planning to volunteer for the 2024 Iowa State Fair."

DONOR PROFILE: BROKEN ARROW WEAR

I heard about what happened to the Butter Cow. Is there anything we can do to help? Can we make a special T-shirt?" That simple phone call sparked one of the Blue Ribbon Foundation's most popular merchandise items ever – the Butter Cow Security T-shirt. Broken

Arrow Wear printed thousands of yellow shirts, helping raise over \$50,000 for Fairgrounds renovations in August 2013 after the Butter Cow was vandalized. In 2023, their creative staff revamped the shirt for a very popular 10th anniversary edition.

"Typically, months of planning goes into the shirts we create to sell at the Fair," says Kortni Remer, manager of Broken Arrow and daughter of founder Mari Coppola. "But not this time! It was a great opportunity to turn a bad action into something amazing. Our entire staff was all hands on deck to get the shirts put out as fast as possible. At one point, we had every press in our building running the shirt and everyone else folding/bagging. It was amazing to see our staff work together so well, and we all felt proud to be a part of such a great fundraising effort. That experience will be hard to top!"

The success of the Blue Ribbon Foundation is tied to long-time partners like Broken Arrow Wear, a custom screen-printing and embroidery business in Des Moines. Some of the first projects back in 1996 used the pen and ink drawings of the historic buildings of the Fairgrounds. Since then, Mari Coppola and her Broken Arrow team have always strived to create designs that are on-trend and reflect favored aspects of the Iowa State Fair. Kortni was just 10 years old at the time Broken Arrow began working with the Blue Ribbon Foundation. "I would always accompany my mom to do mid-Fair deliveries. I just thought it was so cool to be driving on the Fairgrounds during the Iowa State Fair. It was something that none

of my friends (then or now) could say they've done! I guess you could say I've been working with the Fair for the last 27 years!"

Kortni remembers it was always a tradition with her family to get cheese curds when they visited the Iowa State Fair. She said it was a small part of the whole experience but one they always did together – and the memories have lasted. Now, she is instilling the enjoyment of these small traditions with her family. In 2023 she says, "we took our kids (ages 6 and 8) through the Ye Old Mill for the first time. They giggled the entire ride and thought it was so fun in the dark. I'll definitely never forget their pure joy."

Like Kortni, many of Broken Arrow's staff have special memories of attending the Iowa State Fair with their families, both in the past and more recently. That personal connection to the event makes developing the T-shirts sold at the Fair and participating in the Foundation's T-shirt design competition as judges even more fun, knowing that they play a part in keeping the Iowa State Fairgrounds a showplace for all Iowans. In addition to the T-shirts, Broken Arrow has supported the Corndog Kickoff Benefit Auction as a patron of the event and by printing the bandanas used in the Rags to Riches game.

Thank you, Broken Arrow Wear, for your creativity and dedication to the Blue Ribbon Foundation.
