BALANCING TRADITION &

Transformation

W

ith the holidays passed and 2025 upon us, many people enjoy a time of reflection from days spent with loved ones after a full holiday season. Many of us also look forward to exciting opportunities the new year will bring. As we remember what has been and anticipate what's to come, we can appreciate both the traditions and the transformations that enhance our lives. At the Blue Ribbon Foundation, striking the right balance of tradition and transformation is a valued and sought-after endeavor all year long.

Looking back to the 2024 Iowa State Fair, we reflect on the behind-the-scenes work and previous year's support that attracted a record 1,182,682 Fairgoers to our beloved Fairgrounds. While many families enjoyed their classic go-to's of visiting the Butter Cow, riding the Sky Glider for its 50th anniversary, and grabbing their annual bucket of Barksdale's State Fair Cookies, others enjoyed "all things new" with a fully renovated Sheep Barn, free nightly horse shows at the Richard O. Jacobson Exhibition Center, one (or all) of 84 new foods, and additional picnic tables, benches, and shade structures.

Looking ahead now to August, we are eager for Fairgoers to experience several exciting changes happening this year. The Horse Barn is the next barn to receive renovations through our Back the Barns campaign, a new sidewalk was installed on the west side of the Anne and Bill Riley Stage, and the new "Variety Star Playground" will transform the current Fun Forest play area into a space that is accessible for all – during the Fair and year-round.

For 171 years the Iowa State Fair has been committed to maintaining our heritage with the "tried and true" and embracing innovation with the "new and improved." While tradition creates a sense of stability and connects us with our past, transformation helps us adapt to changing environments and find solutions for future prosperity – but the two must go hand in hand. Whether through your gifts of time or treasure, your generosity helps preserve cherished traditions while transforming our Fairgrounds to allow new memories to grow.

The Blue Ribbon Foundation is grateful for you and wishes you a wonderful new year!

“
TRANSFORMATION
HELPS US ADAPT
TO CHANGING
ENVIRONMENTS AND
FIND SOLUTIONS FOR
FUTURE PROSPERITY
”

Corndog Kickoff:

Saturday, July 12

Iowa State Fair:

August 7-17

- We are saddened by the loss of **Doug Reichardt** in October of 2024. A valued supporter and dear friend of the Blue Ribbon Foundation, his generosity and passion left a mark on the Iowa State Fairgrounds for generations to come. Mr. Reichardt believed in preserving the traditions of the Fair and supported our mission through a contribution to sustain The Reichardt Family Giant Slide to its current home.

We are forever grateful to Mr. Reichardt and extend our heartfelt condolences to his friends and family.

JOIN US IN MAKING A *Difference*

An exciting, inclusive “Variety Star Playground” will be built on the Iowa State Fairgrounds in 2025! The Iowa State Fair Blue Ribbon Foundation is thrilled to announce a new partnership with Variety – the Children’s Charity of Iowa to create a special addition to the Fairgrounds.

Dedicated to offering something for everyone, the Iowa State Fair will update the current Fun Forest play area to be accessible for all. This new playground will allow children and adults of all abilities to enjoy playing together, creating an environment that encourages connection and fun.

STAFF

The Blue Ribbon Foundation staff consists of five full-time employees.

Peter Cownie, Executive Director, oversees the entire operation.

Robin Taylor, Assistant Director, tracks all accounting records, orders Fair merchandise and directs the auction portion of the Corndog Kickoff.

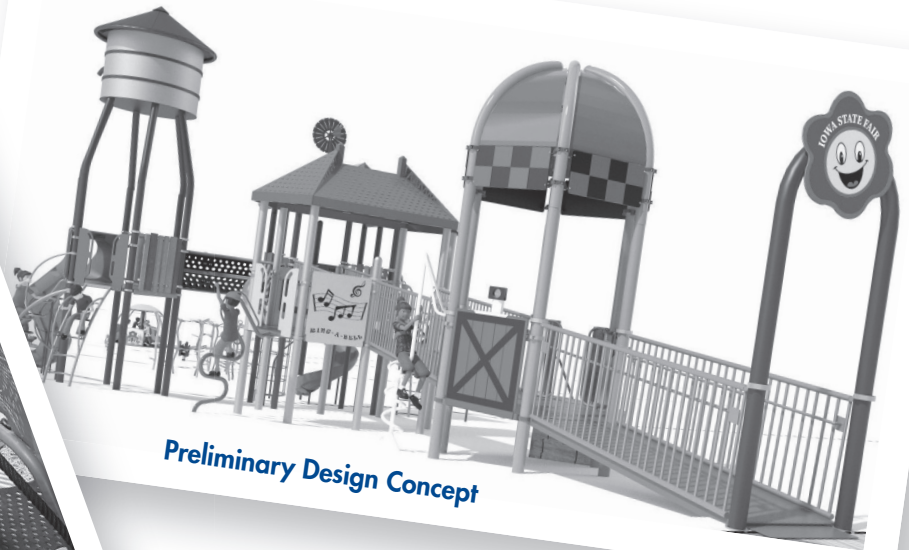

Julianna Curtis, Sponsorship Director, coordinates all sponsorships for the Iowa State Fair.

Meg Courter, Development Manager, organizes volunteers, manages the database and planned giving.

Drew Sniezek, Communications Manager, organizes giving programs and oversees all communications and event planning.

IOWA STATE FAIR
BLUE RIBBON
FOUNDATION

Preliminary Design Concept

During the Fair, the Fun Forest is a haven where parents can relax while kids explore beyond the stroller. But the playground isn't just for August – it's a year-round destination for families, especially those on Des Moines' east side.

The new playground will have an agricultural theme with farm animals, complete with an accessible ramp and a smooth, easy-to-navigate surface designed to inspire outdoor play and creativity. It will be a space that encourages physical activity, imagination and friendship.

Our goal is to raise \$300,000 of the \$700,000 cost for the project. Variety will raise the remaining balance. Thank you in advance for supporting this project.

The Iowa State Fair is proud to partner with Variety. With your support, we'll create a place for everyone to play!

Please scan the QR code to donate online. Or mail in your donation to Iowa State Fair Blue Ribbon Foundation, PO Box 57130, Des Moines, IA 50317.

PROJECT *Updates*

Back the Barns: Progress continues for the livestock barns renovation project. The Blue Ribbon Foundation's "Back the Barns" fundraiser is an opportunity for those passionate about supporting youth in agriculture to contribute to the renovation of these important structures. Providing outstanding facilities for young people to compete and showcase their hard work every August is at the heart of the Iowa State Fair's mission.

Sheep Barn: The two-year, \$6.2 million renovation was completed in the fall of 2024.

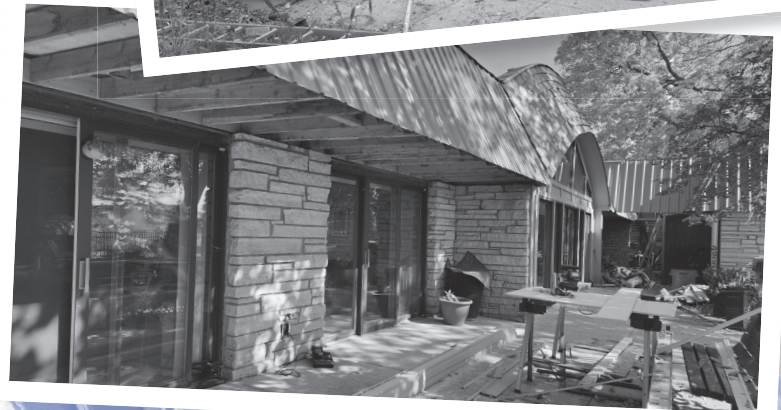

Horse Barn: The two-year, \$13.1 million renovation project includes the following:

- Masonry, sheet metal, and roofing restoration
- Exterior and interior painting
- Repair and replacement of exterior doors and windows
- New concrete floor with radiant heat
- New relocated offices on the west end
- Remodel existing restrooms and add new restrooms that meet current accessibility standards
- Relocate covered outdoor wash rack and add a new interior wash rack area
- New portable stalls
- Enhance ventilation
- New electrical service and lighting
- New fire suppression system

Phase one of the project (exterior painting, window replacement, masonry repairs, and north restroom renovation and construction) will occur prior to the 2025 Iowa State Fair. Phase two, encompassing the rest of the project, will begin immediately following the 2025 Fair and be completed in time for the 2026 Iowa State Fair.

Earth Home: The Blue Ribbon Foundation office underwent essential renovations to enhance its appearance and functionality. Deteriorating shake shingles and siding on the main Earth Home and nearby garage were removed and replaced. New cedar shingles were installed above the front door, and durable, low-maintenance metal roofing was added along the front façade.

The garage also received updates, including new siding and flat roofing. Inside the office, all common-area ceilings and walls were refreshed with a coat of paint, giving the space a bright, renewed look.

Champion's CIRCLE

our gift can make a lasting impact. By contributing to the Blue Ribbon Foundation's endowment today or including us in your estate plan, you're helping secure a brighter future for the Iowa State Fairgrounds. These gifts create a lasting legacy, ensuring ongoing support for the next generation.

A heartfelt thank you to the current members of our Champion's Circle. Your generosity is building a strong financial foundation and providing a predictable source of income to help us fulfill the Blue Ribbon Foundation's mission to preserve the Fairgrounds for years to come.

If you've already made the decision to include the Blue Ribbon Foundation in your estate plan, please let us know by requesting and completing a Statement of Intent.

For more information about becoming a Champion's Circle donor, contact Meg Courter at 515-262-3111 Ext. 370 or Meg@BlueRibbonFoundation.org.

THANK YOU!

The Iowa State Fair holds a special place in the hearts of Iowans. During the Fair, we hear countless stories of how the Fairgrounds are a "happy place" for so many and how the "11 best days" of the year are eagerly anticipated as a time to create lasting memories. The Fair is more than just an event – it's a cherished tradition that unites us, celebrates our rich heritage, and highlights the very best of Iowa's agriculture, industry, entertainment and achievement.

The Blue Ribbon Foundation is deeply grateful for the unwavering support of donors like you who understand the importance of preserving and enhancing this cultural treasure. Your contributions help maintain the historic Fairgrounds, ensuring the Iowa State Fair remains relevant and vibrant for future generations.

As we look back on the past 30+ years, we are filled with gratitude for the transformative impact your generosity has had

on the Iowa State Fair and on every guest who walks through its gates. Thank you for your continued support and dedication to the Blue Ribbon Foundation.

Due to space limitations in this newsletter, we are honoring supporters who have contributed a combined total of \$1,000 or more since 1993. That said, we sincerely value every gift, no matter the amount. Each dollar donated to the Blue Ribbon Foundation plays a vital role in helping us achieve our goals.

This list recognizes contributions to our general renovation fund, Our Fair's Future endowment, and the Endow Iowa program.

While we have taken great care to ensure the accuracy of this donor list, errors can occasionally occur. If you notice a misspelling, omission, or mistake, please contact us at 515-262-3111 Ext. 371 or email Info@BlueRibbonFoundation.org.

MAILBOX

Feedback from Fairgoers when asked why they volunteer for the Blue Ribbon Foundation.

"I love the Iowa State Fair. I'm not able to financially support the improvements so by volunteering I can contribute to help ensure the Fair will go forward in the best shape possible."

"Great way to give back to the Iowa State Fair, which has provided my family many years of fun competition through 4-H."

"My mom has volunteered for years, so now it's our family tradition."

"Volunteering allowed me to experience the Fair in a new way."

"I have volunteered for the Blue Ribbon Foundation for more than 15 years and it is a great way to give back to the Fair. I believe in the Foundation's purpose and have enjoyed the many improvements made across the Fairgrounds."

DONOR PROFILE: BOB'S SEPTIC

With the tagline "We. Get. It. Done." Bob's Septic isn't just a company that does its job – it does it well and goes the extra mile when nature calls.

Starting in 1973, Bob Davis worked part-time with one septic truck, taking care of the Berwick community. More than 50 years later, Bob's Septic has grown into the leading provider of porta-potties and portable restroom trailers in Central Iowa and the Des Moines metro area.

Today, Jason Shepherd, Bob's son, owns and operates the business on Des Moines' east side. Jason's connection to the Iowa State Fair began early in life. While most kids attend the Fair for corndogs and midway prizes, Jason joined his father in servicing the campgrounds. The Iowa State Fair Campgrounds is home to some of the Fair's most passionate attendees, forming a unique and vibrant community.

Bob's Septic was the first company to handle waste removal for the campgrounds, a service that continues to this day. In addition to pumping waste, the company now provides porta-potties, handwashing stations, and maintenance support across the Fairgrounds.

"The Iowa State Fair is always top of mind for us," said John Davis, Marketing Director of Bob's Septic. "We start preparing six months in advance, and during the Fair, our staff works 16-hour days for all 11 days." Despite long hours, the Bob's Septic team still finds time to enjoy the Fair by gathering at their favorite spot, JR's SouthPork Ranch.

The partnership between Bob's Septic and the Iowa State Fair reflects mutual respect and shared values. Jason Shepherd

sees the collaboration as a legacy of service. In 2020, as events adapted to heightened sanitary needs, Jason led the charge to introduce more handwashing stations across the Fairgrounds. "Jason recognized a need and took action to benefit everyone," Davis shared.

Bob's Septic has also supported the Blue Ribbon Foundation's Corndog Kickoff for the past decade, helping fund improvements across the Fairgrounds. "The Fair is a chance to reconnect with traditions and teach stewardship for our great state," said Davis. "We are proud to support the Blue Ribbon Foundation."

"This business feels like a family," said Davis. "The Iowa State Fair strengthens that bond. When we're doing our job well, the average Fairgoer won't even notice – but it's the behind-the-scenes work that makes the event shine."

Thank you, Bob's Septic, for your dedication to the Iowa State Fair and your continued support of the Blue Ribbon Foundation. You truly "get it done."
